Notes:

1. Outward submission window cut-off times can be extended maximum up to 15 minutes upon participant request. However, time extensions for Session 2 and 3 will be granted case-by-case basis after considering the transaction volume already accepted for the processing at that moment. Per transaction late submission fee will be applicable for all late outward submissions.

2. On a half working day, only 2 sessions will be applicable and session 2 outward window close time is 11:00 a.m. Inward window open time will be 12:45 p.m.
